## 10 Year Anniversary

We had a summer we will never forget!

## DISCOVERY YOUTH FOUNDATION

***Historical year for DYF!!*** The theme for DYF's tenth year of existence is **"SOLUTIONS"**. Students were challenged to develop a solution-driven approach to any challenge they might face. In five weeks of our summer enrichment program students were exposed to soo... much; Boyd Funeral Directors, Chick-fil-a, Dupont Manufacturing, Millionaire Entrepreneurs (Don Griffin, John Tillman Jr.), John Henry Foods, U.S. Federal Reserve Bank, Prairie View A&M School of Engineering, LaWilliams Law Firm, F.B.I., GoEngineering Co., Simply Smiles Dentistry, Pepsi Cola, Palais Royal Partners, Rice University, University of Texas Austin, San Jacinto City Hall, Texas Southern University School of Pharmacy and Maritime, Tina Samuels Motivations, Garden of Eden Community Project, Woodforest National Bank, and a once in a lifetime educational trip to Washington D.C. Wow! What an unforgettable summer!

Discovery Youth Foundation was founded by passionate parents and lovers of young people who have a genuine desire to guide teenagers through a critical time of their lives. We simply want to give teenagers the best opportunity to succeed. In a Christian environment, we motivate students to DISCOVER and DEVELOP their God-Given talents, igniting a passion for achievement and self improvement. We offer a five week eye-opening Summer Enrichment Program and year-round mentorship. Our program introduces students to exciting careers, entrepreneurship, community involvement, and life management skills.
