

DISCOVERY YOUTH FOUNDATION

What a **GREAT
SUMMER!**

Another Fantastic Year For DYF! 2016 marks the eleventh year for DYF. Our theme was **“Wiser, Kinder, and Stronger.”** We were challenged to always seek the wisest avenue to personal development and problem solving. Five weeks of action packed adventures included hands-on real money budgeting activities at the Federal Reserve Bank, Investex Credit Union, Memorial City and Galleria Malls. We explored Dentistry with Dr. Wade and General Medicine with Dr. Jordan. Learning about wild life and outdoors at Sheldon Lake Park was creepy, but good. We even learned what it takes to become a Pharmacist and how to fly an airplane at Texas Southern University. The highlight of our summer was a trip to Hot Springs, Arkansas where we visited Bill Clinton Presidential Library and one of the largest Science Museums in America ! Not enough space to give you all the details.

Discovery Youth Foundation was founded by passionate parents and lovers of young people who have a genuine desire to guide teenagers through a critical time of their lives. We simply want to give teenagers the best opportunity to succeed. In a Christian environment, we motivate students to DISCOVER and DEVELOP their God-Given talents, igniting a passion for achievement and self improvement. We offer a five week eye-opening Summer Enrichment Program and year-round mentorship. Our program introduces students to exciting careers, entrepreneurship, community involvement, and life management skills.
